

## Report of NYSASDRI – Education and Health care programme Supported by DCI

Reporting period – 1st January to 31st December 2013

NYSASDRI is managing 03 nos. schools at primary level in different location in Odisha. One is ODM Community School at Kashipur in Gondia Block of Dhenkanal district in which 85 nos. poor and tribal children are continuing their education from Nursery to standard 03 through CBSE pattern (English Medium). Other two schools are purely residential. 142 tribal's girls are studying in SEED Kanyashram, Malkanagiri. 172 tribal's girls are studying in NYSASDRI Educational Complex, Hukumtola, Rayagada district from class I to class V (through Odisha Education Board). Due to poverty and ignorance, the area is educationally very backward and girls education is almost nil. NYSASDRI taken various steps to promote tribal girls education in the area.

**Ganesh Puja**

**Saraswati Puja**

### Conducted Examination-

Bi-monthly, half yearly and annual examination were conducted for assessment of student's performance, accordingly necessary supports were provided to those are poor in performance. Half yearly examination (from Nov 18th 21st Nov 2013, for this year 2013-14) and annual examination conducted in the month of March 2013 (during year 2012-13) were conducted. After annual examinations, the students were promoted to higher class. Annual examination for the academic year will be held during the month of March 2014.

### Social Useful Productive Work (SUPW)

We always encourage to each student for keeping clean and green of the campus. So students have made kitchen garden, planted vegetables like papaya, other fruits and flowers through sili culture (soil less). They have also planted a flower garden, fruit bearing trees and making pisciculture at SEED Kanyashram .

### Other activities

During summer vacation the school was closed from 1st May to 17th June 2013. At that time, preparatory arrangement like training for staffs, procurement of books, dress and study material were done. Campus repairing and maintenance are done. Staffs were visited to student's family and guide them.

### Devastation (Cyclone) Phailin on 12th October 2013

We have faced devastation (Cyclone) Phailin on 12th October 2013 which is affected 18 district of Odisha. In the same time due to flood some coastal part of Odisha also severely affected. Fortunately our school structure was not much affected, few trees were uprooted and fall over the some part of infrastructure which causes some damages. Due to scarcity of food stuff like potatoes, onion and salt are not available in the market, we faced problem after cyclone.

During this reporting period construction of building for hostel is going on at ODM Community School and other work like renovation and colouring of school premises, purchases of instrument equipment for schools and repaired the furniture has been completed. One 05KV stabilizer installed in the premises of ODMCS for solves the low voltage of electricity problem. Initially we have planed hostel for 30 students residential purpose to be commenced from the academic year 2014-15.

### Renovation, colouring and newly hostel building construction work
